NARRATIVES THAT SHAPE THE WORLD

We proudly invite you to the first workshop for European journalists organized by the recently launched [Narratives Observatory combatting Disinformation in Europe Systemically \(NODES\)](https://re-imagine.eu/nodes-workshops). The event will be held online on **May 5th, 2023**, at **3pm (CET)** and registrations are now open. You can find the form here: <https://re-imagine.eu/nodes-workshops>.

The Narratives Observatory combatting Disinformation in Europe Systemically (NODES) is a pilot project financed by the **European Commission** and set up by seven research and media partners from across four EU countries – Belgium, France, Poland, Italy. The NODES consortium is led by the European think tank **Re-Imagine Europa** and includes top level institutions and organisations as **Agence France-Presse (AFP)**, the **French National Centre for Scientific Research (CNRS)**, **PlusValue**, **Sotrender**, **Science Feedback** and **Università Ca' Foscari Venezia**. You can find out more about the NODES project here: <https://nodes.eu/>

The main propose of the workshop is to gather journalists and practitioners specialised in disinformation from across Europe to share their perspective on how the work developed by the Narratives Observatory can facilitate their daily work and help tackle polarisation of opinions on controversial topics such as climate change, migrations, and COVID-19 vaccines.

This one-hour-and-half workshop will help to improve the observatory's effectiveness through the experience and ideas of the professionals that will be the primary beneficiaries of its results. Below, you can find the tentative agenda:

Tentative programme

3:00 PM - Welcome by **Erika Staël von Holstein**

3:10 PM - Presentation on the NODES project and the narrative methodology delivered by **prof. Andrzej Nowak** and **prof. Marcin Napiórkowski**

3:30 PM - Plenary discussion and Q&As

4:00 PM - Final remarks

You can register here: <https://re-imagine.eu/nodes-workshops>

Please feel free to reach out if you need any further information or clarification.

Best Regards.
